APPENDIX A.

No. 123, *dated* 12*th December* 1887.

The following rules for dealing with excesses in minor inams in the settled Maidan Taluks, where such inams are enjoyed in land, are published for general information in supersession of all previous rules and orders on the subject :—

1. All inams the survey assessment of which, as now enjoyed does not exceed Rs. 5, will be confirmed in full.

2. In the case of inams, the survey valuation of which, as now enjoyed, exceeds Rs. 5, one-half of the excess over and above the extent authorized by the Inam Department, shall (in lieu of the 10 per cent of such excess allowed by the rules hitherto in force) be confirmed as inam, in addition to the said authorized extent, the other half being charged with the full survey assessment.

Provided that in no case land bearing survey assessment of more than three times the survey valuation of the extent of inam authorized by the Inam Department shall be continued as inam, except when three times such survey valuation falls short of Rs. 5, in which case land bearing survey assessment up to, but not exceeding Rs. 5, shall be confirmed as inam out of the extent hitherto enjoyed as inam.

Provided also that in no case shall the inam confirmed under this rule bear survey valuation of less than Rs. 5.

3. Out of any individual survey number hitherto enjoyed as inam, all excess over and above the extent confirmed as inam under rule 2 above shall be treated as Government land and charged with full assessment. When such excess does not exceed Rs. 2 in survey valuation, it shall be treated as part of the inam and the assessment charged on it by way of a jodi. When such exceeds Rs. 2 in survey valuation, it shall be treated as one or more separate survey fields of Government land and charged separately with its or their appropriate Government assessment.
